REQUEST FOR LISTING OF REFERENCES

Applicants in the above-identified application are submitting herewith four (4) pages of Form PTO/SB/08a listing references that were considered and made of record in connection with applicants' parent U.S. Application No. 09/483,543, filed January 14, 2000 (now abandoned).

It is respectfully requested that the references included in the Forms PTO/SB/08a submitted herewith be listed on the face of the patent granted on the above-identified application, in accordance with the following provision of §609.02 of the Manual of Patent Examining Procedure:

The examiner will consider information which has been considered by the Office in a parent application when examining: (A) a continuation application filed under 37 CFR 1.53(b) (B) a divisional application filed under 37 CFR 1.53(b) or (C) a continuation-in-part application filed under 37 CFR 1.53(b). A listing of the information need not be resubmitted in the continuing application unless the applicant desires the information to be printed on the patent [emphasis added].

In the event that any fee is due in connection with this consideration of this request, the Commissioner is authorized to charge any such fee to the account of the undersigned attorneys, Deposit Account No. 04-1406.

Respectfully submitted,
